CIVIL ACTION NO. 3:12-CV-02037

**DEFENDANTS' UNOPPOSED MOTION FOR
EXTENSION OF TIME TO RESPOND TO PLAINTIFF'S MOTION FOR SANCTIONS,
REQUEST FOR SHOW CAUSE ORDER AND MOTION TO COMPEL**

Defendants' were served with a motion to compel on May 12, 2014. On May 14 the magistrate shortened the response time and ordered defendants to file their replies to the various motions by Tuesday June 2, 2014. For the following reasons, Defendants now file this UNOPPOSED motion for a three day extension of time to prepare and file their responses.

Plaintiff's motion was filed on Monday May 12, 2014, while undersigned Counsel for Defendants TDCJ, Eason, Pringle, Sanders, Clark and Tate was on vacation out of state. Counsel for defendants returned to the office on Tuesday the 20th reviewed the motion and immediately began gathering information for his response. Undersigned counsel was representing TDCJ and Livingston at the time the initial discovery responses were answered.¹ As a result of his involvement, no other attorney on the suit could have begun the response. While in the process of drafting the response, Counsel determined that there *is* merit to some of the allegations raised by Plaintiffs Motion. As soon as counsel identified the issues, he contacted opposing counsel, requested the extension, and began responding to the motion on the merits. Defendants agree with the Court about the seriousness of the issues and do not seek this

short extension lightly, but so that a proper response may be filed.

Plaintiffs are unopposed to the granting of this motion and defense counsel has been working with them to attempt to resolve at least some of the issues currently before the Court. Defendants' are not seeking to delay the proceedings and only seek a short three-day extension of time, or until Friday, June 6, 2014, to file their response.

Respectfully submitted,
